How to Comment on Pending Form 2As and OGDPs

The public has the opportunity to comment on pending Form 2As (surface location) and proposed Oil and Gas Development Plans (OGDPs).

- Comments on pending Form 2As are submitted to staff through the COGCC's permitting system
 - Staff reviews all public comments before finalizing the Director's Recommendation on a proposed Form 2A
- Comments on an OGDp are submitted through the Hearings' eFiling System
- Affected Persons may petition an OGDp through the eFiling System

How to Locate Pending Form 2As and OGDPs

Navigate to the COGCC's Homepage <https://cogcc.state.co.us/#/home>

Select "Dashboard"

How to Locate Pending Form 2As and OGDPs

Once on the public comment page, select “Make Comment” to be taken to the public comment form.

Public Comment

Submitted comments must be approved first and will be viewable within a few days. Comments do not necessarily reflect the opinions of the COGCC, the State of Colorado, or any associated agencies. Due to the volume of comments received the Commission cannot respond individually to every comment.

NOTE: The maximum length for a public comment is 8000 characters, including spaces. If the limit is exceeded, none of the comment can be saved on the form.
